

Declaration of the Compliance Awareness Month

September 2019

iCONM Compliance Office

Dear iCONM colleagues,

We declare October 2019 to be "Compliance Awareness Month" and conduct activities to promote compliance with research ethics and use of public research expenses.

We, Kawasaki Institute of Industrial Promotion, have carried out a "Research Misconduct Prevention Program" since FY2016 in accordance with governmental guidelines.

Research Misconduct Prevention Program FY2019:

1. Setting a Compliance Awareness Month to enhance iCONM members' awareness about compliance
2. Do the PDCA over our current rules

About the Compliance Awareness Month:

1. Purpose-- Review compliance activities to arouse collective awareness and improve our function as an established research institute
2. Period-- Oct. 1 (Tue) - Oct. 31 (Thu), 2019
3. Main Actions--
 - a) Deliver a message from the director of Compliance Office*
 - b) Follow up those who have not completed iCONM's compliance educational courses*
 - c) Introduction of research misconduct cases
 - d) Presentation of internal regulations

*Applicable to all iCONM members including postgraduates and guest researchers.

We expect your positive participation. Thank you for your cooperation.
